JAI SHREE KRISHNA

In Loving Memory Of

Rajmattie Sookhoo

Sunrise: 27/02/1977 Sunset: 17/02/2024

You suddenly left without
Saying goodbye, without
Hearing me say
"I Love You"
Know that I loved you dearly
We all loved you dearly and
Would continue endlessly.

To me, you were
an angel in disguise
Full of intuition, you were
intelligent and wise
Always giving
and helping through
Good times and bad.
The best sister I've ever had

Lovingly remembered by all your loved ones

Rest in Eternal Peace My Dear Sister
